Dear Brethren in Christ,

The summer season is always a busy time for most of us, packed with activity, travel, celebrations and you name it. While May—July spell was marred by several deaths, funerals and tears, we have been uplifted a bit by several other upbeat occasions. The talk of the town is of course the historic tour of the Buganda Premier, Ow'Ekitiibwa **Katikkiro Charles Peter Mayiga**. He came to visit Ssaabasajja Ronald M. Mutebi's UK and Ireland County in a bid to raise much needed funds for the restoration of Kasubi and Wamala Tombs as well as construction of Bulange Plaza or “Masengere”. The events were coordinated by ‘Friends of Buganda’ team.

Our Community (UMCC) was actively involved in the main event held at Harris Academy in Peckham on 23rd Aug, 2014. We raised **£500** towards the **Ettafaali (Brick) Fund** and we put up a stall at the function to promote our cause. The atmosphere was ecstatic and the Katikkiro with his entourage did not disappoint us in their message concerning the effort to develop Buganda and Uganda as a whole.

Building a nation is a painstaking endeavour. As we hear in today's readings, all good things come at a price. Following Christ involves carrying our daily cross. Renunciation, “offering our living bodies as a holy sacrifice truly pleasing to God” (**Romans 12:1**) is the path to eternal life. Likewise, sacrificing our time, energy and monies (as some of us did to support Ettafaali drive) is the way forward as we build a new Buganda and Uganda. Please, get the message right: be **informed**, be actively **engaged** and be **involved**. Thank you!

Fr. Gerard Balinnya
