ST. CHARLES LWANGA (Kabondo): We would like to thank St. Basic Small Christian Community who organised our September 2024 monthly celebrations. It was a special memorial

Mass in honour of the late Dr. Joy Kyazike who was a very active member.

Mr. Kizito Bukunya and your team, we appreciate your service.

The children, under the guidance of Mrs Ruth Kitayimbwa, were in full action as they sang and danced with great joy!

Please, keep up the spirit.

CAN OUR FAITH SAVE US?

This Sunday we hear of the blind man, Bartimaeus, who cried to Jesus for his sight to be restored. The crowd tried to stop him because he was causing noise pollution for them. He ignored all that and he cried all the louder. Jesus heeded the plea of the man and commanded the crowd to bring him forward. This process of salvation involves divine grace and human cooperation. The man's faculties were restored because of his faith. Jesus commended him: "Go your way; your faith has saved you." Now, can our faith really save us? May the

Lord increase our faith and save us. *Fr. Gerard M. Balinnya*
